## Presidents Report

At this stage in the championship, **Hellas is the leading Victorian team** and this is due to a lot of hard work from everyone involved at the club. In the next few rounds, we have some very important games at home and we cannot emphasize enough the importance of the spectator to our club. **At Hellas, we exist for our supporters.** It is for the spectator the Committee offers voluntary work, and it is for each of you in the crowd that we have gathered the best coach and players for our team. However, we are not getting that support to the degree which we need. We sincerely appreciate your efforts in supporting the Club and in the forthcoming weeks will try to offer you the best we can. Our aim is to bring back all the family to our games and provide an enjoyable day for everyone.

As I already mentioned, the home games in the second round are very vital and we ask that you not only continue your support but also bring along your friends, children, relatives etc. Lets make our club one that everyone can be jealous of. **Lets make 1987 another memorable year for Hellas.** Help us strive for the double, the **Championship** and the **Beach Fashions Cup.** Only you the **Supporter** can help us achieve our aims.

## Player Profile

This week we present to you to **vital members** of our team:

**5. STEVE BLAIR** was born on 28/12/61 in Paisley, Scotland. A favourite at Hellas, Steve has played all his NSL soccer with us since 1980. Often praised as the **best centre-half in Australia**, his hobbies include all sports and listening to "various types of music". His favourite performers are Jimmy Barnes and Simply Red. A clerk with the RACV, Steve's favourite drink is orange and loves his mother's home made soup.

**7. DANINE CRAINIE** was born on 24/5/62 in Kilsyth, Glasgow, Scotland. Known as "D.C." to team mates, Danny can boast playing for **Celtic, Wolves, Blackpool and Dundee.** Danny's hobbies include following greyhounds and house-racing and he enjoys a Crown Lager with a nice Aussie steak. Danny is single but has a steady girlfriend, Fiona. His ambition in life is to be financially secure. The opponent he admires most is Ernie Tapai of Footscray.

## Senior Match Report

Since our last home game, which **Hellas won 2:1 against Croatia**, we have played two games away. The first of these was the big Greek Derby in Sydney where Hellas continued its tradition of never being beaten by Olympic in the National League. A scoreline of 2:2 was a fair result for our team and congratulations must go to **Richard Miranda and Danny Wright** the scorers. **The Committee and players at Hellas would like to thank the supporters who travelled to Sydney.** These trips will be encouraged as they are most enjoyable for the supporters, as well as providing the players with the very much appreciated support they require.

Last week we ventured out to Chaplin Reserve to tackle Sunshine George Cross. To the surprise of all, George Cross recorded their first win of the season with a 3:0 scoreline against our highly fancied team. The scorer of all three goals was youth international Paul Trimboli. The loss of strikers Egan and Stevenson could not have cost Hellas and Brian Garvey more.

**South Melbourne Hellas** this week welcomes **Preston** to Middle Park for what is usually a fiercely played match. During the break the officials at Preston appointed **Ernie Merrick** as coach and since have strung together some good results. Today's clash is vital for both sides as a win for either side could confirm it as a true **championship contender.** Best of luck to both sides and may the fans enjoy a skilfull and hard fought game.
